Instructor Training System

“The Instructor is the best educational system for teaching fuel cell technology that I have seen on the market. I can recommend this product to any school.”

Denis Cote, Instructor/Fuel Cell Coordinator

Institute NAIT

Department Power Engineering Technology

Website www.nait.ca/fuelcell

Location Edmonton / Alberta / Canada

Use of Product

- » Hands-on experiments of students
- » Demonstration of how fuel cells work and the composition of fuel cells
- » Presentations in front of professional associations and schools

Advantages of the Product

- » Suitable for experienced users and people who are not yet familiar with the technology
- » PC interface
- » Detailed and easy to understand instruction material
- » Reliable system
- » Portable system allows for visits at schools

Why Heliocentris

- » Very good quality
- » Very good customer support
